

ANNA

The Year in ANNA History

Looking Back: 1975-1976

*Martha Leonard Orr
President*

The Year in Review

- Membership under President Martha Leonard Orr, reached about 2000.
- A successful National Symposium was held in San Francisco, CA.
- The National Association of Patients on Hemodialysis and Transplantation (NAPHT) presented its annual award for Outstanding Contributions to Patient Welfare to AANNT.
- The Peritoneal Dialysis section of the *Standards of Clinical Practice* (Section III) was published and distributed to Association members.
- The Association continued its work on the development and promotion of its new journal, which today is known as *ANNA Journal*.
- AANNT planned and implemented a new organizational framework for the Executive Committee and Executive Council.
- The Association moved in the direction of a centralized administrative office by consolidating the convention management functions under the Executive Director.
- AANNT helped to sponsor the first summer camp for children on hemodialysis at Frost Valley in upstate New York.
- The Association co-sponsored its first management seminar, the "Laboratory for Leadership," geared toward nurses in nephrology management positions.
