Offered exclusively to ANNA Chapters

◆ **May 22-25, 2022**

As an ANNA chapter, you strive to provide strong educational programs for your members, as well as opportunities for networking and community action. A new Chapter Group Access program is available now, exclusively for ANNA chapters.

Register a group of 5 or more people with one of the options listed below. Attendees may choose to attend in-person or via LiveStream. Note: The Livestream sessions will be determined and announced closer to the conference date. All registrants will have access to all recorded conference content.

Complete the **Group Access Form** to participate in this program as a chapter. Hurry, you must submit the form, complete with payment by **May 1, 2022**.
